Mancos, CO 81328
970 - 533 - 7492**

This map is not drawn to scale.

Deer Hill is located approximately 1.5 miles south of Mancos on County Road 41. As you get close to Deer Hill, you will see two stock ponds (that may not contain water) on either side of the road at the bottom of a hill. The entrance to Deer Hill will be the next dirt road to your left. You must look for the sign which is parallel to the road on your left (east). Turn left, but do not take the spur that leads to a house. Continue straight, up the lane, heading towards the mountains (east).
If you miss the turn you will come to another part of County Road H on your right. You have gone too far and will need to turn around.
